**RE: Request to be included in the Commission Agenda
Aquenergy Systems, Inc.
Pelzer Hydro Company, Inc.
Docket No. 2014-407-E**

Dear Ms. Boyd:

I respectfully request that the *Request for Consent to Assignment of Purchased Power Agreement and Conversion of Entities Holding Purchased Power Agreements*, ("Request for Consent") in the above cited uncontested docket be placed on the Public Service Commission agenda, which will be published on Friday March 20, 2015.

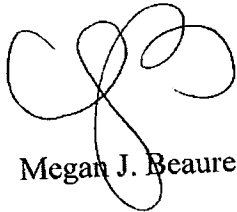

In October, 2014, I contacted the South Carolina Public Service Commission ("Commission") by phone in order to determine the best way to proceed with a proposed internal restructuring. Understanding that the request for approval of conversion of this nature is somewhat unusual, the Commission staff recommended filing a letter seeking approval. In response to that recommendation, both Aquenergy Systems, Inc., ("Aquenergy"), and Pelzer Hydro Company, Inc., ("Pelzer") requested approval to convert from corporations to limited liability companies as part of an internal restructuring by letter dated October 10, 2014. The correspondence was docketed in the above referenced proceeding, however no additional action was taken by the Commission. On March 13, 2015, both Aquenergy and Pelzer filed a formal Request for Consent, with updated descriptions of the proposed transactions, in an effort to ensure that the appropriate procedures had been addressed and followed.

The internal restructuring referenced in the docket involves projects in many other states, and is nearing completion; the conversions and transfer referenced in this uncontested docket

remain among the few outstanding items which need to be accomplished prior to finalization. Therefore, we seek to have this matter acted on by the Commission as soon as possible. Though I realize the late nature of this request to be placed on the coming agenda, the action required to be taken by the Commission is minimal and agreed to by all interested parties.

Should you have any questions or should you require any additional information, please do not hesitate to contact me at your convenience. Your help in this matter is greatly appreciated.

With Best Regards,

A handwritten signature in black ink, consisting of a large, stylized 'M' followed by a series of loops and a final flourish.
